PARLA - ALGETE – GETAFE – S.M. DE LA VEGA

Comité de Gimnasia Rítmica

30 y 31/05/2026

Para una correcta organización de la competición, se establecen las siguientes medidas de obligado cumplimiento para participantes y público asistente:

1. El acceso a la instalación se realizará por las entradas habilitadas para cada colectivo: jueces, deportistas y técnicos accederán por la entrada asignada, y el público por su acceso correspondiente, según el horario indicado en el programa.
2. La competición se realizará con público. En función de la instalación, el aforo podrá reducirse a un número limitado de personas. Se ruega ajustar la hora de entrada para permanecer el mínimo tiempo posible en el interior.
3. Se ruega no utilizar bombos, vuvuzelas ni carracas dentro de la instalación, con el fin de garantizar que la megafonía y la música sean audibles en todo momento.
4. Los deportistas deberán presentarse, en la medida de lo posible, con la equipación de calentamiento o competición puesta bajo la vestimenta. Sus pertenencias deberán dejarse correctamente guardadas en el vestuario asignado.
5. Solo se permitirá el acceso a la zona de calentamiento con el material imprescindible para calentar y competir.
6. Deportistas y técnicos deberán cambiarse el calzado en el vestuario para acceder a la zona de calentamiento con calzado limpio. **No está permitido pisar los tapices con calzado.**
7. No está permitido maquillar ni peinar en la zona de competición.
8. Cada club podrá estar en pista con un **máximo de tres técnicos**, conforme a la normativa del nivel requerido.
9. Cada deportista tendrá asignada una zona de calentamiento y deberá seguir el recorrido indicado en el plano.
10. Una vez finalizado su ejercicio, los deportistas deberán abandonar la pista y la zona de calentamiento y acceder a la grada, no estando permitida la permanencia en dichas zonas de personas no participantes.
11. Los aparatos de reemplazo deberán ser colocados por cada club.
12. Los deportistas que se encuentren en posición de pódium deberán permanecer en la grada hasta el inicio de la ceremonia de premiación.
13. En la ceremonia de premiación desfilarán únicamente los deportistas premiados. En aquellas competiciones en las que, de manera excepcional, desfilen ascensos, clasificados a otras competiciones u otras distinciones, se informará específicamente en la competición correspondiente.
14. Cualquier irregularidad detectada en la zona de competición (por ejemplo, personas no inscritas) será comunicada al Comité de Disciplina.
15. No está permitido consumir alimentos en la instalación. Los deportistas podrán beber agua de su botella personal.
16. Es necesaria la colaboración de todas las personas participantes para el correcto desarrollo de la competición.
